Modern luxury apartment in Solemar, Casares.

Step into refined coastal living with this exceptional first-floor apartment, a nearly new build that combines elegance, comfort, and convenience. Lightly lived in and presented in pristine condition, the property has been furnished with exquisite taste, creating a home that is both stylish and welcoming. With its southeast orientation, the apartment is bathed in morning sunshine, offering sea views and overlooking immaculately maintained communal gardens with a large swimming pool - an ideal setting for relaxation and leisure.

The apartment is thoughtfully designed across a single level, making it both practical and luxurious.
