# Town House in Marbella

**€3,800,000**

| 3 | 4 | 375m² | 90m² | N/A |
|---|---|---|---|---|

Brand new modern villa located in the prestigious area of Marbella's Golden Mile, close to the beach and within a secure community. This home is all about comfort and convenience, featuring modern architecture and private amenities.

The villa has been built in four levels, including a basement that can be customized and a rooftop terrace with a small heated pool. Designed with an open layout to maximize space and natural light, it includes a private lift to access all levels. On the first level, you find the master bedroom suite with a designer walk-in wardrobe, a terrace, and other spacious suite.

The basement provides options for adding a gym, spa, extra bedrooms,...(Ask for More Details!)
