From the first moment you will feel it... This is not a standard flat, but a refined living experience where comfort, light and modern elegance come together.

This beautiful new-build flat on the ground floor offers a perfectly thought-out layout with a spacious open living space of no less than 31.8 m², where living room, dining area and kitchen flow seamlessly into each other. Large windows provide an abundance of natural light and a direct connection to the outside.

With 2 stylish bedrooms and 2 modern bathrooms, you can enjoy optimal comfort and privacy here ideal as a permanent home, luxury holiday retreat or investment.
