Located just a few meters from La Almadraba beach in El Vergel, close to Denia, Talasa Caelus forms part of the innovative Talasa Utopian Village a residential concept focused on sustainability, well-being, and community living.

The development offers a limited selection of 1, 2, and 3-bedroom homes, designed with efficiency and comfort in mind. Bright interiors open onto spacious terraces, creating a seamless connection between indoor and outdoor living a key feature of the Mediterranean lifestyle.

Sustainability is at the heart of the project, with features such as photovoltaic panels, rainwater reuse systems, native landscaping, and electric vehicle charging points.
