This remarkable 2,656 m² plot occupies the highest vantage point in the prestigious Bonavista residential area, offering one of the most exclusive panoramas in Elche-an uninterrupted sweep from the city's historic skyline to the Mediterranean Sea. Fully classified as urbanizable land and designated for single-family residential development, it allows the construction of a luxury one-storey villa with complete privacy and exceptional natural surroundings. The entire surface of the plot-2,656 m²-is both the minimum and the buildable area, providing a generous canvas for an architect-designed residence.

The property benefits from direct access via an urban road and is already equipped with essential
