Nestled high in the mountains within a protected national park and an area of outstanding natural beauty, Finca Jadrake offers a rare blend of privacy, space, and spectacular scenery. Located just 5 miles from Benidorm and en route to Guadalest, the property enjoys a privileged elevated position with breathtaking panoramic sea views across the towns of Benidorm, Altea, Albir, and Calpe.

Built in 1992, this registered finca spans an impressive 11,800 sqm and is perfectly suited for equestrian or country living. Previously used for horses, the estate features a fully equipped, purpose-built stable block comprising 4 spacious stables, tack room, hay store, utility facilities, automatic water troughs, electricity connections.
