This wonderful villa is located in a beautiful tranquil area in the heart of the national park, between Frigiliana and Acebuchal.

The property of 400 m2 is currently used as a holiday rental property and has a tourism licence, but was originally designed as a rural accommodation, with a separate accomodation for the owners or housekeepers. The property could also be a wonderful family home.

As you arrive at the property, there is plenty of parking behind the entrance gate.

From the main door, the property opens up into a large lounge and an adjacent dining area with a lovely central feature of a balcony.
