In the exclusive Las Chapas area, a unique opportunity arises: a plot of land exceeding 4,500 m² with a completed project.

The project envisions a home of approximately 800 m² distributed over three floors, including an elegant basement with a spacious garage. Each space has been designed with superior quality materials and a contemporary architectural style that seamlessly blends light, design, and nature.

The building permit application has already been submitted and is expected to be approved within a couple of months.

There is the option to purchase the villa off-plan, allowing for customization of finishes (price upon
