Villa in Castell de Castells

€425,000

4	3	271m²	4,037m²	✔

This exceptional off-grid finca offers total peace, privacy, and independence, set within a fully fenced plot surrounded by pine forest, open valley views, and nature in every direction. A rare find for those seeking tranquillity without sacrificing comfort.The main house is all on one level and ready to move into, with no work required. It is full of character and warmth, featuring vaulted ceilings, exposed beams, terracotta clay floors, natural stone details, and French windows opening onto multiple terraces. The spacious living room is a true heart of the home, complete with a large log burner, while the rustic kitchen is beautifully laid out with a large pantry and generous...(Ask for More Details!)
