375m²

N/A

We present three magnificent plots for sale, located in a privileged area of Benissa, just a few minutes' drive from the charming village center. Surrounded by nature and with 180° open views of the Mediterranean Sea and the mountains, these plots are the perfect setting to build the house of your dreams.

Project available with a modern and functional design

We have a project that includes:

180° panoramic views

Interior elevator connecting the three floors
