This beautifully renovated home on the edge of Cútar blends traditional Spanish charm with modern luxury, featuring open-plan living with a designer kitchen, a stunning courtyard that seamlessly connects indoor and outdoor spaces, three bedrooms including a master suite with en-suite, and air conditioning throughout. Outside, the property offers a thoughtfully designed multi-level garden with native plants and countryside views, along with terraces, an above-ground pool, outdoor shower, office space, and additional utility areas, all within walking distance of the village's shops and bars.
