A very special and beautifully renovated property on the edge of Cutar village within a few minutes walking distance of the village shops and bars. The house has been completely reformed and is the perfect mix of a classic Spanish home with modern luxury fittings. Enter into the house and your eye is immediately drawn to the beautiful courtyard which is accessed via bi-fold doors making the inside and outside space flow together. The sitting room, dining area and kitchen are open-plan. The stylish designer kitchen has a sunken sink, dishwasher, wine fridge, oven, hob and microwave. There is a wood burning stove with a section for pizza oven in...(Ask for More Details!)
