**A Hidden Beachfront Sanctuary - Reimagined Penthouse Living on the New Golden Mile**  
 Tucked within one of the coast's most enchanting beachfront communities, this beautifully reimagined penthouse offers a rare blend of privacy, nature, and effortless coastal living. Set in a charming pueblo-style urbanisation in Benamara / Atalaya, the setting feels more like a private retreat than a typical residence.

The community is defined by expansive, almost park-like gardens that stretch for blocks, blending seamlessly into natural forest pockets with winding pathways, wooden bridges, gentle streams, and quiet corners designed for complete relaxation. It is a truly unique, sanctuary-like environment rarely
