This garage in Torreblanca, Torrevieja, stands out for its generous size and large storage room at the back - a perfect solution for those who need extra space. With 20 m² plus a spacious storage area in good condition and free of dampness, it offers both practicality and convenience. Its location near the Dialprix supermarket ensures easy access to local services, and the wide entrance makes maneuvering simple, even for larger work vehicles. Thanks to its size and condition, this garage is an ideal opportunity for professionals in construction or tradespeople who need a small warehouse in a well-connected residential area. Don't miss out - call us to schedule a viewing today.
