Town House in Torrevieja

€189,000

3	1	80m²	N/A	N/A

This house in the center of Torrevieja, located only 350 meters from the seafront promenade and Playa del Cura, stands out for its privileged location, dual orientation, and access from two streets. With 80 m² of built area, it offers versatile possibilities: renovate it according to personal taste or demolish and develop a new project. Current urban planning regulations allow for the construction of at least three floors, making this property a strong investment opportunity.

The dual orientation provides excellent cross ventilation and abundant natural light throughout the day. It is ideal for those looking to design a modern single-family home in the city center or for developers aiming to create...(Ask for More Details!)
