Penthouse with sea views, private jacuzzi and no direct neighbours - rare position in Higuerón
A rare opportunity to secure a truly private penthouse in the sought-after Higuerón area, with open sea views and no direct neighbours - a combination that is increasingly hard to find.

The property offers 3 bedrooms and 3 bathrooms, finished in modern, high-quality materials, with a well-designed layout separating living and sleeping areas.

The bright open-plan living space connects directly to spacious terraces through large sliding doors, creating a seamless indoor-outdoor flow. From here, you enjoy unobstructed views towards the Mediterranean and the Fuengirola coastline.
