Building plot of 141 m² on Calle San José, in Guardamar del Segura, Alicante.

The plot has the potential to accommodate a building of up to 4 stories (ground floor + 4), which opens the door to various possibilities.

Development Opportunities:

Residential apartment complex. Commercial space on the ground floor with homes or apartments on the upper floors. Offices or coworking space. Combination of residential and commercial, taking advantage of the permitted height.

This flexibility, combined with its prime location, makes it a highly attractive investment.
