This truly exceptional luxury villa, located in an exclusive area of the capital of Costa del Sol, has undergone a sensitive full and meticulous renovation that has managed to highlight the historical elements and the unique local materials such as marble, wood and stone, while at the same time managing to give it a contemporary design, always bearing in mind the fact that it is a residence by the sea, in the south of Europe, and in a unique location.

The generous property provides absolute privacy and countless special corners in the magnificent gardens, dominated by the age-old Mediterranean pine tree and lush vegetation that underline the uniqueness of the...(Ask for More Details!)
