Storage Room for Sale in Casares Playa

Opportunity to acquire a storage room of 7.54 m² with a height of 3.14 meters, ideal for storing belongings, sports equipment, bicycles, beach gear or seasonal items.

Access is through the communal garage by remote control, which ensures convenience and security. The parking space is not included in the price, but the storage room is perfectly located within the complex for easy access.

It is located in a well-maintained residential complex in Casares Playa, with very low community fees.
