This legal building plot is a true gem for those seeking a rural lifestyle surrounded by stunning views of orchards and vineyards. Despite not having electricity or water, it's no longer a problem because it's possible to install a water tank and a solar system, making it completely self-sufficient. Located on the base of a regional park and planted with almond trees, the plot offers a peaceful and idyllic environment perfect for building a dream home. With the possibility of building up to 5%, you can design and build the home of your dreams while enjoying the tranquility of the surrounding countryside. The plot is situated just 2km from the charming town...(Ask for More Details!)
